

Welcome to Marriage by Mail!

Let's begin with *Step 1: We Apply For You*. Soon, you will be hearing from your Personal Marriage License Concierge. In the meantime, please find the Marriage Pre Application Worksheet and the Marriage License Concierge Additional Info Sheet below. Please complete these forms and return them to your Concierge along with a photo ID for each spouse (see notes below). We would need this done by 9am, Tuesday.

That's it. That's Step 1. Here are some instructions:

Take special care in filling this out. Errors made on the Marriage Pre Application Worksheet are subject to \$50 in duplicate license fees and a minimum of one week delay. Please read this carefully before proceeding.

Instructions on Filling Out the Pre Application Worksheet:

- All the information on the Pre Application Worksheet must match the information on your photo ID exactly.
- 1D and 9D *Maiden Surname (if different)*: Does the last name (surname) listed on your photo ID match your birth certificate? If it does, you will skip this question. If not, what name is listed on your birth certificate?
- 2b and 10b *Residence County*: International clients can skip this question. US residents: what U.S. county do you live in? Not country. Please do not write USA in this space.
- 4 and 12 *Social Security Number*: International clients and clients without a social security number can skip this question. Vital Statistics requires social security numbers from anyone that has one.
- 6 and 14 *Did You Complete a Pre Marital Course?* No.
- 7 and 15 *If Your Spouse is not present, explain*: These should be left blank.
- 8a and 16a, *Number of this marriage*: The Bureau is asking which # of marriage this is. For example, if you have never been married before, then you will enter "1" because this will be your first marriage. If you have been married twice before, then you will enter "3" because this will be your third marriage. Any mistake on this specific question will incur a **\$450** court order. Please check with your Concierge if you have any questions.
- 17abcd *Mailing Address*: 3-4 weeks after the ceremony, the Clerk will mail you a Certificate of Marriage. To what address would you like that sent?
- It is important to submit your information correctly. Revisions can only be made in the form of a Duplicate License, which incurs a fee of **\$50** and adds delays to the process. If an error cannot be corrected in time for your wedding, then you will need to visit the Marriage License Bureau personally and correct it there prior to your ceremony.

Notes:

- Acceptable ID is a drivers license (US residents) - OR - passport (international clients).
- If you are unable to make the Tuesday morning deadline, please reach out to your Concierge and let them know.

If you're curious to know what we're up to:

Your Concierge will fill out the Marriage License Bureau's required paperwork and open a file. On Wednesday, your Concierge will meet with the Clerk of Courts to apply for your License to Marry. Once they have the original License, we will mail it to you along with instructions on Step 2: *Sign Your License*.
